

Lent is the time to prepare for the celebration of our redemption through the death and resurrection of our Lord Jesus Christ. We begin Lent with the Ash Wednesday service which acknowledges our need for repentance and for forgiveness. Worshippers may receive ashes on their foreheads or hands as a sign of the frailty and uncertainty of human life and our own penitence.

**Please join us at 6:30 pm
on Wednesday, February 17,**
in the sanctuary for worship
with the imposition of ashes.
