Midweek Musings

In his poignant little book *Wishful Thinking*, Frederick Buechner comments on 'sloth', one of the seven deadly sins:

Sloth is not to be confused with laziness. Lazy people, people who sit around and watch the grass grow, may be people at peace. Their sun-drenched, bumblebee dreaming may be a prelude to action or itself an act well worth the acting. Slothful people, on the other hand, may be very busy people. They are people who go through the motions, who fly on automatic pilot. Like somebody with a bad head cold, they have mostly lost their sense of taste and smell. They know something's wrong with them, but not wrong enough to do anything about. Other people come and go, but through glazed eyes they hardly notice them. They are letting things run their course. They are getting through their lives.

~Chris

Parent Volunteers Needed for Fall Youth Fellowship Dinners

We are starting our sign-ups early so we can make sure all dates are filled. What we ask is that you provide food for 25 students and adults at 5:30 on Sunday evenings for Youth Fellowship dinner. You can order pizza, or have something catered, or make the food yourself. All expenses are reimbursable. We ask that you try to keep expenses under \$100 per meal, however. We provide all paper products and drinks and set up. We do ask that you be willing to stay to wipe tables and help clean. You should be able to leave between 6:15-6:30. If your student attends or is planning on attending Youth Fellowship this coming school year, please plan on signing up to help with this important ministry of hospitality. Available dates are:

~~9/19~~, 9/26, 10/3, 10/10, ~~10/17~~, 10/31, 11/7, 11/21, 11/28, and 12/5
