The Top Forty Hits of the Bible

Making the top of the chart are...

We are doing a new thing! The pastoral staff began thinking of forty Bible passages that are foundational for our faith. We came up with far more than forty, but we pared them down to some great texts; some “hits” of the Bible.

Every Monday for forty weeks, we will post on our FPC website the passage for the upcoming Sunday with background information and a few thoughtful reflection questions that apply the texts to your life.

Middle School and High School, Gen X'ers and Friends, and the Sojourners Sunday School classes will all study these texts, and the weekly sermon will also feature the “top forty” text of the week.

An additional fun factor is that we’ve thought of contemporary tunes that we will use to compare and contrast to the chosen forty texts.

This can be a very enriching experience to have everyone in the church reading the same texts at the same time. We hope you will join us in this Top Forty Countdown!
