Serve Day:

*Experiencing Service
as Worship of God*

Sunday, April 29, 2012

Wow! Do we have a CAN'T-MISS opportunity for you! The Serve Day Ministry Team has started planning a day for the congregation Serve Day as an all-out service blitz in Richmond. Our goal is to reach out to the forgotten and those living on the margins of our city--everyone from home-bound members to children within the inner city.

Our dream is for every member of our congregation, young and old, willing and eager, to take part in this day of fellowship with one another in service for and with others. This is where we want your input. We need multiple activities for different skill levels and time commitments of 1 to 5 hours. We also want a prayer team to gather to pray for this. Therefore, we want to hear where you are willing to commit your own time and energy to help those in need. Please list your name, email and what you are willing to do below.
