

FPP 2010 Summer Camp

Rising First, Second & Third Grade Students

Week 1--July 5-9

Mighty Builders

Come build some awesome creations! We will create our own designs and follow plans for building structures using Legos, Knex, wood, scrap metal, recyclable materials and many other interesting items. Skills necessary: none! Skills gained: computation, problem solving, reasoning, developing strategic plans, and teamwork. Build with Stephanie Jefferson, M. Ed. owner and founder of Little Scholars, LLC.

OR

Jewels, Beads and More

Make beautiful jewelry, learn to sew, and decorate glassware to use at home, give as gifts, or store your treasures. We dance, we sing, we play awesome music and have great snacks. Join Melanie Horner for a fun-filled week.

Week 2--July 12-16

Scrapbooking

Grab your photos and head to camp...scrapbooking camp! Bring photos of your friends, sports, hobbies, family, school life or summer fun. We will fill the pages of your individual book with photos, memories and treasures to last a lifetime. There is nothing quite as fun as sharing memories with your family and friends! Supplies will be included. We recommend approximately 50 photos for a complete book. Come create with Stephanie Jefferson, M. Ed., owner and founder of Little Scholars, LLC.

OR

Creative Arts and Crafts-Exploration of Japanese Art

Students will explore the rich history of Japanese Art. Mixed media techniques including paint, paper, and clay will be used. In addition, the students will enjoy making a Japanese mask. Learn from Lisa Craig, a local artist and a certified art teacher from St. Michael's Episcopal School with over 25 years of experience working with children.

Week 3--July 19-23

Writers' Workshop

Don't be fooled by the title – this class is FUN! We will brainstorm, write, illustrate, and let our imaginations run WILD...as we write a prize-winning book, create hilarious comic strips, tickle our funny bone with MadLibs and design a really cool self-collage! Join us in celebrating some of our favorite books too at our daily book club chat! Learn from Stephanie Jefferson, M. Ed., owner and founder of Little Scholars, LLC.

OR

Creative Arts and Crafts-Different Painting & Printing Techniques

Students will explore various painting and printing techniques. Did you know that watercolors and salt make an interesting combination? Students will create many different paintings and prints in this class!!! Learn from Lisa Craig, a local artist and a certified art teacher from St. Michael's Episcopal School with over 25 years of experience working with children.

Week 4--July 26-30

Edible Science

Science that you can eat?!?! We all know kids love to cook, but what happens when reading, science, art and cooking come together? There are blasts of pop rocks, sticky situations with paper mache pasta, sculptures of bread and building a garden of cooking herbs. Come cook with Stephanie Jefferson, M. Ed., owner and founder of Little Scholars, LLC.

OR

Creative Arts and Crafts-Art for All Seasons

Students will study the works of artists Monet, Rousseau, Cezanne, Van Gogh and Matisse. The students will create their own paintings inspired by these great artists. Learn from Lisa Craig, a local artist and a certified art teacher from St. Michael's Episcopal School with over 25 years of experience working with children.

Classes are from 9:00 a.m. until 12:00 noon. Campers will enjoy outside time and snacks provided by the school each day.
